im. Janusza Korczaka*

11.4.2010

On behalf of the Korczak Association members from all over the world, I would like to express our participation in the Polish people's profound grief over the tragic deaths of President Lech Kaczyński, his wife Maria and the other members of the Polish delegation who perished on their way to Katyn.

President Lech Kaczyński was a real friend of the Korczak movement.

Batia Gilad

Chairperson

The International J. Korczak Association
